

Here are all the details you need to know about **Big Shark's New Town Triathlon**:

#### **PACKET PICK UP:**

Choose one of **THREE** Packet pick up options:

- Friday July 11<sup>th</sup> at [Big Shark \(Big Bend Location\)](#) – 12pm-7pm
- Saturday July 12<sup>th</sup> at The New Town Triathlon HQ - 9am-12pm
- Sunday July 13<sup>th</sup> at The New Town Triathlon HQ - 5am-6:30am

#### **SWIM START:**

Swim Cap color assignment is not in play this year. We will stage the LONG course athletes FIRST. SPRINT will start after the last Long Course Athlete is out of the water and the Lifeguards have moved into position.

The start area is very shallow and rocky. Mats will be in place to assist with the footing. Please no diving or jumping into the water. Be in the water and ready to start quickly (every 3-5 seconds). Once in the water, swimmers are expected to demonstrate a competent forward motion.

#### **If in distress, do one of three things:**

1. Wave and yell for help.
2. Swim to the edge of the lake.
3. Turn-over on your back.

Making forward progress on your back is not allowed with other swimmers in proximity. There will be volunteers at the exit to assist you out of the water.

#### **BIKE REQUIREMENTS:**

Helmets, a functionally safe bike and a good attitude are required. If there is any question about your helmet or bike's safety, please bring them to Big Shark or to the New Town Expo for inspection by a professional Big Shark mechanic.

#### **TRANSITION ZONE:**

Body Marking will be at the transition zone entrance. Please make sure you get marked. Bikes will be racked according to your race bib number.

#### **SAFETY:**

St Charles EMS will be onsite for the duration of the event. Professional Lifeguards will be onsite for the duration of the swim leg. St Charles County Police will be stationed at major intersections along the bike course. Volunteer Course Marshals will be stationed in the transition zone to assist with exiting the water, on the bike course to assist with traffic flow and help guide athletes, and along the run for encouragement and to hand out water at two aid stations. Big Shark SAG vehicles will roam the bike course.

#### **EVENT TIMING:**

This event is professionally chip timed by Big River Race Mgt. You will receive:

1. Numbered Helmet Sticker
2. NON Chip Timed Bib Number
3. Timing Chip Ankle Bracelet for your LEFT Leg. Teams will have matching bibs but **MUST** transfer the ankle chip.

The chip is an ankle strap and must be worn for the entire event. Please use the bib number, helmet number and the chip provided. This is for your safety and to ensure timing accuracy. Wearing the ankle strap on the left leg facing outward will prevent your bike from interfering with the timing strap. **PLEASE return ankle chip after race.**

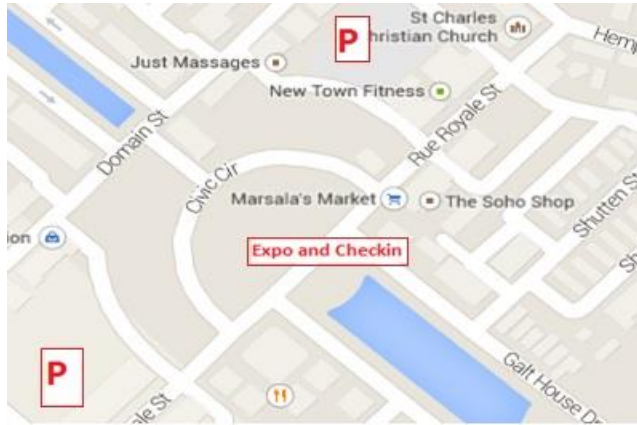

#### **RESTROOMS:**

Port-a-potties with hand sanitizers will be located near the Transition Zone on Civic Green Drive.

#### **PARKING:**

**Please DO NOT park in the St. Charles Christian Church Parking Lot- they WILL have a Sunday Mass while the event is occurring.**

Please park in one of two large lots available to us for both Saturday and Sunday. These lots are conveniently located in the center of New Town on both sides of the Amphitheater. Enter New Town off of New Town Blvd; go right on New Town Lane. Take New Town Lane to Domain Street; you will see the parking lots to the left and to the right. Parking is also available on Civic Circle. Parking is not available along Rue Royale St. North of the EXPO. Please be mindful and do not park on the Run course or block driveways.
